

LIME ROCK

WINES

Greetings!

We hope you have had an excellent summer with cheer at Christmas, and time to unwind and holiday.

At LIME ROCK we have had a busy time, enjoying catching up with some of you and meeting others. It is always such a pleasure to show you our vineyard and wines, letting you absorb the feel of our special site. Join us in March for the music!

Lazy Sunday
Sunday 13th March, 2 – 6pm
Music by the Kawekas and Savornine
along with Wine and Food

After the success of our opening we are having another such event. Wine, Yummy Food and Cruisy Music. Some great wine bargains to be had as we clear the stocks so we can take in our stunning grapes.

Help us to continue to weave the Giant Vine Rugby Ball to prepare us for the big football event. Canes are provided!

Come & enjoy... Try our wines

In the vineyard

We are fruit thinning, leaf plucking, scaring the feathered birds, and the others, and putting on about 80 km of nets! The vines are looking good, the fruit is starting to colour and the staff are getting edgy! The cycle goes on.

LIME ROCK Pinot Rosé

Our Rosé was a winner and was chosen by Warren Barton, Yvonne Lorkin and WineNZ in their top wines. Alas we have no more. Orders are coming in for the 2011 brew. Get in early! Yvonne (HB Today newspaper 30 Oct) gave it Four Stars ****

'Ruby and crimson hued, this is one of the prettiest Rosé I've tried all year. Lifted aromas of strawberry snow pudding and stewed rhubarb and in the mouth it is mouthfilling, rich and generous with a clean dry tang on the finish.'

.....

The White Knuckle Pinot Noir 2007
continues to bowl people over. Bob Campbell MW, in Gourmet Traveller Wine magazine Oct-Nov 2010 issue, gave it 93 *** with the comments....**

'Peppery wine with masses of ripe fruit flavour; a dense fruit-bomb style. The wine has a great texture and appropriate oak influence. An indicator of exciting potential from a very new wine region.'
