We are fortunate. Lime Rock was not been affected by the recent floods in Central Hawke's Bay. However lower sections of Waipawa township and rural land adjacent to the Waipawa and Tukituki Rivers were flooded but did not receive high silt loads compared to the Esk Valley.

Waipawa Tennis Club's astro courts (<https://www.facebook.com/WaipawaTennis>) were severely damaged and the Annual Veteran's Tournament was cancelled> The clubhouse escaped flooding however members (including Rodger) are giving it a fresh coat of paint. Rodger has also been helping a local farmer repair many fences and install new water troughs.
